Dear Mr. Mason:

This is in response to your January 16 request for Ambient Air Monitoring Data from certain Superfund sites. I have located the report on Ambient Air Monitoring at NIES. There is no report as such on the Eastern Missouri Dioxin Ambient Air Monitoring. There has been considerable dioxin air monitoring in Eastern Missouri, however, there is no compilation of this information in the form of a report. I hope this material will meet your needs. If I can be of further assistance please contact me.

Sincerely yours,

Robert L. Morby
